Dear RAIN 97 Entrant,

Having just completed my 2nd year as ride director, I am now ready for your input to make this event into a riders dream event. Please send me your ideas on the following subjects and any additional comments that you would like to make.

We have a couple of additional awards this year (those in addition to each of you finishers):

#### BEST PLACED CITY:

**JASPER, INDIANA** with six finishers under seven and one half hours! (Top 25)

**BEST COMPANY:** To Morris Machinery, not only our Lunch Stop but also starting 4 riders (of which a couple were seen in the lead pack at lunch time).

**AND HOW ABOUT** those 13 riders under 7 hours, incredible! (This number may have been larger except for a crash that thinned several riders out of the lead pack. By the way, you top finishers, its not appropriate to drop some of your pack by running red lights in Richmond. Come on, follow the rules!

**FOOD,** How does this sound, sports drinks at all rest areas (High Carbo's in addition to Gatorade) and less food, in exchange for a second full meal at the finish. Lunch this year received many compliments, unchanged for next year.

**ROUTE,** In order to avoid heavy traffic on St. Rd. 40, east of Indy, let's change the route to remain south of 40 until Greensburg, then we will travel north and connect up with 40 just outside of Greensburg.

**ENTRIES,** We're developing a color poster for surrounding States Bike Shops. Any other ideas on marketing would be appreciated. We would like to get this event back up to the 800 riders we once had, and if we can the following year the cost per entry will come down (YEA!)

Please send your ideas to:  
Bloomington Bicycle Club  
P.O. Box 463  
Bloomington, IN. 47402

**P.S.** Did you know that we also sponsor the hillyest ride in this State (and probably others) It's the Hoosier Hills Tour, Early in June. It's a great warmup to RAIN 98, and it's only \$10.00 As with all great BBC rides, this includes a full meal! Look for the entry form in next years mailing.
